

NEWS APRIL 2008**New program SEE South Eastern Europe
MEP participates in kick-off meeting in Budapest**

In march **mep Projekte GmbH** participated in the SEE South Eastern Europe program kick-off meeting to discuss the new transnational program of the European Union.

The SEE Program aims to develop transnational partnerships of strategic importance, in order to improve the territorial, economic and social integration process and to contribute to cohesion, stability and competitiveness of the region.

The international cooperation concentrates on the following priority sectors, in line with the Lisbon and Gothenburg agendas:

Innovation, Environment, Accessibility and Sustainable Growth

The knowledge gained in this meeting will be available for the international projects of MEP and its clients.
